## Part 01: Qualification Suite Purpose Statement

Qualification Suite Scope										
<p><b>Transcend LOGISTICS Management</b> is a progressive suite of Ofqual regulated occupational qualifications. The qualifications in this suite sit in sector 15.3 Business Management and are solely awarded by Transcend. This suite is developed in delivered collaboration with industry specialists the <b>British Training Board [BTB]</b> and their licenced educators. <b>The British Armed Forces recognise the BTB as the independent expert education provider</b> dedicated to supporting military professionals, public servants, veterans, and their families throughout their careers and beyond.</p> <p>This suite facilitates all logistics and supply chain occupations. Successful learners will be proficient in logistic and supply chain management in their own occupational context. The suite also embeds a professional progression pathway for strategic leaders of multinational logistics and supply chain operations. It is particularly relevant to armed force specialists, veterans and those in relevant business enterprise roles.</p> <p>This suite is integral to the <b>Transcend BTB MVP<sup>1</sup> Portfolio</b>. This is a pioneering portfolio of a range of qualifications developed specifically to align to the revolutionary <b>BTB Military Skills Translator Framework</b>. The <b>Transcend BTB MVP Portfolio</b> is exclusively designed to enable our service men, women and veterans to achieve qualifications recognised by civilian employers. The intent is to enable those that have served our country with pride to continue to thrive as they transition into the civilian community.</p>

<sup>1</sup> BTB Military, Veteran Public Servant Portfolio

Qualification suite awarding	This qualification suite is solely awarded by <a href="#">Transcend Awards Limited</a> as the recognised awarding organisation regulated by Ofqual.	
Qualification suite standards	This qualification suite is aligned to the professional proficiencies validated by the <a href="#">BTB Military Skills Translator Framework</a> .	
Qualification suite development partner	This qualification is developed in collaboration with industry specialists the <a href="#">British Training Board [BTB]</a> as the technical partner. The BTB is an independent educator of military professionals and veterans across the UK. This qualification is subject to consultation with armed forces trainers, military professionals, veterans, logistics supply chain and equality experts. The collaboration and consultation groups remain in place for the lifetime of the qualification to ensure it remains fit for purpose.	
Qualification suite delivery providers	This qualification is delivered in collaboration with industry specialists the <a href="#">British Training Board [BTB]</a> as the independent licensing body for education providers of military professionals and veterans across the UK.	
	To deliver these qualifications providers must have a BTB licence and be able to meet the centre recognition and qualification approval conditions. It is only delivered by providers that have evidence of the BTB licence, are recognised as centres and approved to offer the qualification by the awarding organisation.	
	Recognised centres are required to deliver the qualification in accordance with the BTB licence, centre recognition and qualification delivery conditions. All providers must contact the <a href="#">British Training Board [BTB]</a> to access their licencing scheme prior to making a submission to the awarding organisation.	
	Applicant centres	Recognised centres
	Access the Transcend Awarding Website to submit a centre recognition enquiry to initiate the process.	Access the Transcend Awarding Management System [TAMS] to create and submit the Transcend Recognised Centre Extension Request Form.

This suite is relevant to armed force specialists, veterans and business enterprise roles.
Qualification suite endorsements	This qualification is endorsed by BTB Armed Force Associates.	

Qualification Suite Summary	
Qualification suite purpose	<p>The purpose of the qualifications is to confirm occupational competence.</p> <p>The sub-purpose of the qualifications is to confirm competence in an occupational role to the standards required.</p>
Qualification suite rationale	<p>Across Great Britain, 2.03 million people reported that they had previously served in the UK armed forces (76% in the regular forces, 20% in the reserve forces and 4% in both). This represents 3.8% (almost 1 in 25) of the total population aged 16 or over. Overall, 7.0% of households in Great Britain included one or more veterans.</p> <p>The <b>Transcend BTB MVP Portfolio</b> is comprised of progressive suites of qualifications that are regulated by Ofqual. This portfolio has been developed in collaboration with the <a href="#">British Training Board [BTB]</a> and their talented team of experts. The BTB is recognised within the British Armed Forces as an independent awarding body dedicated to supporting those in service, public servants and their families throughout their careers and beyond! Specifically, the BTB is dedicated to the massive community of British Veterans who served our country with pride. BTB offer a range of programs and services aimed at helping veterans transition to civilian life, including career development, skills translation, and support for those in the Criminal Justice System. They provide lifelong learning and career development opportunities, ensuring that veterans can successfully integrate into civilian life and continue to thrive.</p> <p>BTB proudly run the <a href="#">National Armed Forces Academy</a> and a range of progressive programmes designed to enhance career prospects for veterans and their families. The <a href="#">BTB Military Skills Translator Framework</a> is a revolutionary tool for the veteran community. This pioneering initiative empowers veterans to evaluate the scope of their occupational expertise developed throughout their military career. BTB facilitate the evidence collation and mapping of these proficiencies to occupational qualifications recognised by civilian employers. Where needed tailored learning, assessment, quality assurance programmes are delivered to cover any gaps in criteria and role specific duties in the civilian roles. The purpose of the <b>Transcend BTB MVP Portfolio</b> is to offer the range of occupational qualifications that align to the <b>BTB Military Skills Translator Framework</b> and the range of BTB initiatives designed to enable the <b>Military Professionals, Veterans, Public Servants [MVPs]</b> and their families within their community to thrive. This qualification suite is relevant to many civilian roles undertaken by veterans and sits within the <b>Transcend BTB MVP Portfolio</b>.</p>
Qualification suite uniqueness	<p>This is the only suite of progressive qualifications in the logistics and supply chain operations that is aligned to the <a href="#">BTB Military Skills Translator Framework</a>. The <a href="#">Register of Regulated Qualifications</a> should be accessed for intel on awarding organisations offering similar provision.</p>
